

THE SYSTEMS OF DOMINANCE AND OPPRESSION ARE ORCHESTRATED IN SUCH A WAY THAT THERE IS NO WAR IN THIS WORLD THAT WE'RE NOT SOMEHOW IMPLICATED IN, WHETHER IT'S THROUGH OUR TAX DOLLARS, PENSION FUNDS, UNIVERSITY ENDOWMENTS, ESPECIALLY IF YOU'RE LOCATED IN THE GLOBAL NORTH.

**KEEP EYES, HEART
AND ACTION ON SUDAN.**

LISTEN AND AMPLIFY: Listen to Sudanese activists, especially girls and women and amplify their voices and leadership and ensure you are amplifying their needs and demands.

MOVE RESOURCES: There continues to be almost no funding going to Sudan. Sudanese activists are asking for key resources for internal efforts as well as those displaced and in exile - in the immediate and long-term.

CONNECTIVITY SUPPORT: Internet shutdowns are continuing all across Sudan. There needs to be more attention and support to ensure vital digital connectivity across all Sudan.

HOLD GOVERNMENTS ACCOUNTABLE AND ENSURE SUPPORT FOR SUDANESE REFUGEES: Sudan is facing its most severe refugee crisis to date, necessitating immediate and coordinated humanitarian action and support for refugees. Call on your representatives and agencies to respond and meet this urgent need.

IN EL OBEID, THERE'S A RISE IN SEXUAL VIOLENCE, INCLUDING RAPE BY ARMED MILITIAS. NEW FORMS OF VIOLENCE ARE EMERGING, SUCH AS TRAFFICKING, PARTICULARLY IN DARFUR. UNFORTUNATELY, FEMINIST GROUPS STRUGGLE TO REACH THESE WOMEN TO DOCUMENT THEIR CASES AND OFFER THE NEEDED SUPPORT AS SECURITY FORCES IMPOSE HIGH LEVELS OF SURVEILLANCE AND RESTRICTIONS.

THE NORTHERN STATE IS SUFFERING FROM ESCALATING NEEDS AND CHALLENGES, OUTPACING FEMINIST RESPONSES' CAPACITY TO ADDRESS THEM, ESPECIALLY SINCE FEMINIST ORGANISING HAD TO SHIFT MANY TIMES IN LIGHT OF THE CURRENT REALITIES. PRICES HAVE INFLATED, MEDICAL SUPPLIES ARE
SCARCE, AND BASIC SERVICES HAVE COLLAPSED,
PERPETUATING FURTHER THE EDUCATION, HEALTH
AND NUTRITION CRISES. STATE POLICIES LIKE
EMERGENCY LAWS AND CURFEWS ARE FALLING
SHORT TO MITIGATE THE RISKS. MORE MILITARISM
AND POLARIZATION ARE UNFOLDING, AND THE
THREATS AGAINST POLITICAL ACTION AND ACTIVIST
ORGANISMS ARE ALARMING. DESPITE ALL THIS,
THERE EMERGES GRASSROOTS MOBILIZATION AND
EMERGENCY ROOMS THAT RESPOND WITH
SOLIDARITY.
